

REPORT FRAUD, UNETHICAL AND MISCONDUCT

The Nevada Affordable Housing Assistance Corporation, a nonprofit organization and administrator of the U.S. Treasury-sponsored Nevada Hardest Hit Fund® (NV HHF), takes seriously its obligation to the citizens of Nevada to conduct business in a legal and ethical manner. This ranges from protecting State and Federal assets from waste, inefficiency, misuse, theft, etc., to acting on behavior that does not enhance the public trust and confidence in NV HHF.

If you know of, or suspect, any fraud, waste or abuse, please report your concerns via the method outlined below.

ONLINE - You can report an incident via email to: incident@nahac.org

All email sent to this address will be received by Ellsworth & Stout, CPAs, an independent third party which provides fraud and ethics reporting services. It is separate from the Nevada Affordable Housing Assistance Corporation.
